NEW FILTER ANNOUNCEMENT

5th May 2020

EXECUTIVE SUMMARY

At the end of 2019, Holding Industriale launched HParts, a sub-holding dedicated to the aftermarket segment for the construction equipment, heavy vehicles and automotive markets.

"The three HParts subsidiaries are distinguished by a solid business model, manufacturing excellence and the ability to meet the needs of the automotive business. Together with the experienced management team, we will support HParts' development to create a pan-European growth platform in an area with significant long-term growth potential."

MAIN BRANDS:

New Filter

We are announcing the introduction of about 80 new codes in the product range.

In the following presentation you will find the main brands of products entered with their respective OEM codes.

In addition to the presentation we will also send you an Excel file where you will find all the **OEM** codes with the **relative Airtop Italia references**.

We have also included the **size, label** and **application**, hoping to do what pleased.

We remain available for any case.

Good work!
